

earth_heliocentric
_position_calculation

```
graph LR; A[earth_heliocentric_position_calculation] --> B[set_to_range]
```

A flowchart with two rectangular boxes. The first box on the left is light gray with a black border and contains the text 'earth_heliocentric_position_calculation' on two lines. A dark blue arrow points from the right side of this box to the left side of a second box on the right. The second box is white with a black border and contains the text 'set_to_range' on one line.
